

Reinke Manufacturing Company, Inc.
Overview of New System Limited Warranty

(Galvanized High Strength Steel and CN+ Systems only; United States and Canada)

Reinke Manufacturing Company, Inc. (Reinke) warrants to the original U.S.A. or Canadian purchaser that the unaltered Irrigation System manufactured by Reinke will be free from defects in materials and workmanship as follows:

- ⊕ Reinke wheel drive gears for a period of ten (10) years or 10,000 hours of operation, whichever shall occur first - **full replacement.**
- ⊕ Reinke center drive gear motors for a period of eight (8) years or 8,000 hours of operation, whichever shall occur first - **full replacement.**
- ⊕ All irrigation system structural components manufactured directly by Reinke Manufacturing Company for a period of five **(5) years.**
- ⊕ Reinke's exclusive v-ring water pipe seal for a period of twenty five **(25) years**, by far the best protection in the industry.
- ⊕ Galvanized high strength steel and CN+ water pipe is warranted against structural failure due to corrosion for a period of twenty **(20) years** on a prorated basis, subject to conditions listed in the complete warranty document.

If the irrigation system is found to be defective in materials or workmanship within the warranty time periods indicated, and such defect is within the coverage of this Limited Warranty, such defective component shall be repaired or replaced, at Reinke's sole option, at the Reinke factory F.O.B. All warranties described herein are for parts only F.O.B., Deshler, Nebraska, U.S.A. No freight allowance is included.

(Certain provisions and/or exclusions apply see Reinke Irrigation Systems Limited Warranty document for complete details.)
